A message from your Board of Trustees

We are a community that was built in different sections, but we remain one in our support for each other. We are HACA – the Highbanks Area Civic Association. The sections of our joined HACA community are:

• Green Meadows, Highmeadows, Fox Ridge, Sycamore Meadows	598
• Heather Lane	46
• Townhomes along Powell Road	56

	700

As the Highbanks Area Civic Association we promote, maintain, and improve the neighborhood. We strive to uphold the general welfare and unity of the neighborhood through planned activities and events.

As neighbors we celebrate our mutual welfare. We enjoy friendship. We meet each other driveway to driveway, backyard to backyard, along sidewalks, at shared schools, and at school bus-stops. Our neighborhood Independence Day celebration highlights our summer. Our December home lighting contest brightens the winter season. Our neighborhood garage sales help us recycle no longer needed items. Many neighbors contribute to the maintenance of the Green Meadows entrance and the Glenside Circle. Neighbors are helping neighbors.

We, your Trustees, are seeking a solution for the damage done at the Green Meadows entrance. We are obtaining estimates for different approaches. At this time, we do not have enough information from contractors to make a decision. We will inform you when we are able, and we will communicate directly with you. Please, keep us in your thoughts.
