Green Meadows Entrance Flower Bed Clean Up

Can You Help? Individuals and families are encouraged to help the trustees beautify the Green Meadows Entrance Flower Beds. With this task being postponed from May due to COVID-19 restrictions, the weeds have taken over the flower beds. And, with 60 bags of mulch to spread, we really need, and would greatly appreciate, your help!

When: Saturday, June 6th, from 9:00 - 11:00 a.m.

What: Weeding and Mulching

Bring: Yard/Garden Tools and Face Coverings

New: In addition to wearing face coverings, we'll practice social distancing.

Email: Please email Kip Kipfer if you're available to help (ckipfer@insight.rr.com).

July 4th Parade and Picnic Cancelled

For more than two decades, our community has celebrated Independence Day with a neighborhood Parade and Picnic. Due to the COVID-19 outbreak and the CDC Guidelines for Large Community Events, the difficult decision has been made to cancel this year's event. While we are disappointed, the safety/health of our neighborhood families is paramount.

2020 Dues Not Collected

While the HACA annual dues are used to pay for a variety of items including the electricity for the Green Meadows entrance lights, the mulch for the Green Meadows entrance flower beds, and advertisement for our neighborhood garage sales, the largest expense is the July 4th Parade and Picnic. Given the cancellation of our July 4th Parade and Picnic and the financial challenges many are facing during this unprecedented time, HACA dues will not be collected this year. Dues already paid for 2020 will be credited for 2021.

Fall/Winter 2020 HACA Events

Given the dynamic nature of COVID-19 and the subsequent federal and state guidelines, updates on scheduled fall and winter events will be provided at a later time.
